An act to add Section 66704.05 to the Government Code, relating to the San Francisco Bay Restoration Authority.

AB 2103, as introduced, Hill. San Francisco Bay Restoration Authority.

Existing law authorizes the San Francisco Bay Restoration Authority to levy a benefit assessment, special tax, or property-related fee consistent with Articles XIII C and XIII D of the California Constitution, as specified.

This bill would require the board of supervisors of each affected county, when the authority proposes a measure to levy a benefit assessment, special tax, or property related fee for submission to the voters, to call a special election on the measure and place the measure on the ballot of the next regularly scheduled election and would require the county clerk of each county to report the results of the special election to the authority.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
